**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-31 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

***Election/Restrictions***

Claim 32 will be restricted from this application if not cancelled in the response to this action.

***Claim Rejections - 35 USC § 112***

Claims 1-32 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 14-32 are indefinite because they depend on canceled claims. Claims 21-24 are also indefinite because their last line is confusingly written and should be clarified as to what is being positively claimed. Claims 25-28 are also indefinite because of the 'like' phrase i.e. it is not clear what is being positively claimed. Claims 29-30 are also indefinite because of the 'such as' phrase because it is not clear what is being positively claimed. Claim 32 does not limit the process of claim 13 and should be deleted.
